

Connectors System AC 162  
LED Plug Connectors  
AC 162 VLS LED 120 grey

connection cable, 2 pole, voltage rating: 150 V, current rating: 15 A,  
cable type: XYFAZ

### Order Info

|                             |               |
|-----------------------------|---------------|
| reference number (ref. no.) | 14830212      |
| PU                          | 50            |
| EAN                         | 4028012111732 |

### Type

|                                       |                     |
|---------------------------------------|---------------------|
| type                                  | connection cable    |
| number of poles                       | 2 pole              |
| colour                                | grey                |
| cross-section rating                  | 2.5 mm <sup>2</sup> |
| protection against incorrect plugging | yes                 |
| latch                                 | yes                 |

### Technical Data

|                                    |                     |
|------------------------------------|---------------------|
| voltage rating                     | 150 V               |
| current rating                     | 15 A                |
| insulating material                | PA 6.6              |
| contact material                   | brass               |
| core cross-section min.            | 0.5 mm <sup>2</sup> |
| core cross-section max.            | 2.5 mm <sup>2</sup> |
| flammability rating                | V-2                 |
| max. Ambient Temperature Operation | 70 °C               |
| cable type                         | XYFAZ               |
| core cross-section                 | 0.5 mm <sup>2</sup> |
| length                             | 1.20 m              |
